Reply to Notice of Allowance dated July 1, 2005

REMARKS/ARGUMENTS

Applicants received the Notice of Allowance dated July 1, 2005, in which the title is incorrectly identified. On September 13, 2003, Applicants filed a Response to Office Action dated June 18, 2003, in which Applicants amended the title to read "Configurable Storage Array Adapted To Configure A Segmentable Bus Based On An Arrangement Of Connectors." It appears that the words "Storage Array Adapted To Configure" were omitted by the Office. This amendment simply clarifies the amendment to the title originally requested. Applicants also submit comments on statement of reasons for allowance.

COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

In the Notice of Allowance dated July 1, 2005, the Examiner referred to language from claims 1 and 15 and suggested that claims 26 and 30, respectively, are allowable for the same reasons. To be clear, claims 26 and 30 may contain different language and thus the scope of claims 26 and 30 may not exactly coincide with the scope of claims 1 and 15.

Respectfully submitted,
